*Invites you to our...*

## Annual Sailpast Event

11 a.m. on Saturday, June 24, 2023

Skippers' meeting at 9:30 in the Pavilion  
at Port Dover Harbour Marina

*Weather-permitting*

*For those who are new to boating, a sailpast marks the official start of the boating season at a yacht club. All members are invited to participate in the festivities of the day! The main event is the traditional on-water review of the fleet where participants sail past the Commodore's vessel.*

*We plan to anchor out at the Long Point Lighthouse afterward.*

## ALL ARE WELCOME!
